APARTMENT SURVEY

JANUARY 2021

The Landlord-Tenant Relations Division of the City of Alexandria Office of Housing updates the Apartment Survey annually in January to provide information for individuals seeking to rent apartments in Alexandria. Some apartment complexes have been omitted at the request of the owner or manager. Rents indicated are market rents charged to new tenants at the time of the survey in January 2021. Accessibility information is self-reported by the properties and accessible units may not be available for rent.
